How to cite a manuscript with a 2008 and beyond publication date to meet the NIH Public Access Mandate:

(Note: NIH funded authors are only responsible for their publications complying with the NIH Public Access mandate)

Examples:

**Author submitted manuscript to NIHMS: temporary number**

**Journal/publisher submitted article: temporary statement**

**PMCID final number:**

**Articles with a 2008 publication date that do not need to comply but a reason/disclaimer needs to be provided**
